By France?

By France? France found an echo in the Councils of Great it is impelled, goes on saying, There are vast agreement, In return for a value ble piece of land garded on all hands as a last resort, an armed British whon she required to vindicate the outrntruce which should give each party time to ges of her subjects in Mexico—the English that raurille hid bring its fordes into better order occared the sea -three western powers united - now a perfect desert. The tide of emigration will large their body, to as to satisfy the just subject of new, quoted. At present liberals and conservatives would England, Franciand Spain, incurred the greatest in a short time take that direction and we know of many arists new excluded from their ranks. Captaints of Vessels before leaving the Dock of trongly recommended by the same of Enrope from their Dockago Bills.

All communications respectives respectives the docking to a short state of the short state o

Police Peport. Hongkong, April, 30th 1868.

BRYORE C. C. SMITT LEG. Ground Ginson was brought up on remark obsteed with Emberriement. Mr Gaskell appeared for the trisoner, and addresard the banch to the effect that the unfortunate been bught about more by gross meg ixence then somment-and asking the magistrate to dispose of it summarily; the more so, as even the prosent. was the proprietor of the China Mail of

oming down to take charge of the business taking the prisoner's written promise to pay in-Mr. Grekell aubmitted that the sum of \$3 having been said by prisoner, could not now be brought against him.

Examination continued :- Upon seeing this one deficiency his (witness.") suspicions breams The witness then reinted out in the shreff's books various sums which the prisoner had received for whatever was deficient. I do not consider the

of new Looks : it belongs to the Shroff. The prisomer had to bolaten his books every month. When I accused the prisoner he did not make any statement as to how he had lost the money. I know that the prisoner left the safe open twice. On my asking him he said he thought some one had stolen Str. I raquest you will be pleased to insert he money out of the sain I do not know of any

the impority of the French people did not protest that in ortunate versel, is owing to Captain Pol- The imagistrate said that he would hear the against it as a policy too dear and to a certain lock, for which I shall ever remain grateful to next witness before decking upon the course he sinuces of our resource and the distressed state in tworty years. I know the prisoner. I got bills to

Mr. E. Andrews said that referring to what how the poor and unpratedted men, are treated would state that it was not his wish that the

Dennys to give him notice to leave. The prier therrupon came to him (witness) and asked if he had given such directions. He replied he had and that he would take over the oriare oneh at once. He immediately discovered let doing so, that there was deficiency of \$30. the prisoner acknowledging the error, offered payment of that rum, which he accented he ing the prisoner's written promise to pay inding to deduct the sum from his wages due." Mr. Grekell submitted that the sum of \$3 have bean raid by prisoner, could not now be night against him. Examination, continued :- Upon seeing this deficiency his (witness') applicions became nised and he made a further examination of books, and found several other deficiencies witness then sointed out in the shreff's books cious agins which the prisoner had received

m the shroff, a d which he had filled to enter the cash back. 'I've entries in the sproff's back a partly made by the pri oner and partly he sheoff. He witness onlied the attention of the soner to these deficiencies and told him that it somer said that he wished to go out, and prosed him (witness) that he would return in one ir, but he did not return; and not being able find him, he (witness) had obtained a warrant his uppreimasinn. By Mr. Gaskell :-- When I acquised the prisoner did not make any conscalment of the banks.

isoner has said that he would make me reparation whatever was deficient. I do not consider the all buck (Shruff's) produced in Court to be one my hooke, in belongs to the Shroff. The priper had to halarce his books every month. ien I necused the prisoner he did not make any ten ent as to how he had lest the money. I know the prisoner left the safe open twice. On my king him he said he thoughtsome one had stolon money out of the safe I do not know of any ner having been stelen I was never informed prisoner that thirty dillars had been stolen. . Gaskell they addressed the Court upon the in-Somey of the evidence to support a charge of serious a nature as the one against the prisoner, deited the Queer's Urbson, and the Queen's Norne, support of his views. He fur her said that the somer had first to Cont on in terror, having there the friends when he could look to for advice. be prisoner had been guilty of sieghet in leaving eafe open, from which the money had been probly stolen; but his intention was, whor arrested. gon pensate the prosecutor for all the losses be incurred through his negligence, out of a sum

£ 00 which he (the prisoner) expected shortly The magistrice said that he would hear the ext witness hefore deciding upon the course he real i prosence. Les Tal Yune, declared :- I am the shroff to ich China Mail I have heen there for the last worty years. I know the prioner. I got bills to illect and I handed him over the manny. Enles were made in my book of monies that I aniled over; sometimes by myself and sometimes prisoner. [The witness than deposed to having aid over to the prisoner the sums that the first itness built shown buil not been entered into the ah-book. It was my duty to hand over to priorier all munica that I collected.

By Mr. Francis on babalf of Mr. Claskell :he enteris kent in my room. I know the pri o er 1. left the rafe unlooked two or three times ; immediately cal'ed his attention to it. I told nuster about the are being open twice. The safe ver remained open all night. When I told my taster almost the safe being open he fortened it. y master locked it twice; on the third occasion it res locked by the prisoner himself. It did not en remain upon a long time; the prisoner had mir walked a short distance away when I called attention to it. The magistrate then said that he would remand

case, in order to consider it he should comit the pusonin hir deal with the case summari-Mr. E. Andrews said that referring to what r Ouskell and said in the course of the trial he rould state that it was not his wish that the harge should be pressed against the prisoner.

The case was then remanded. SHANGHAI RACES. 2.-Stann Prate. Exerc. A .- GEIFFIN'S PLATE To pan. 4 .- SHANGRAI BAR CUF. Romornie. 5 .- I.RDIER' PURSE. Busy Bee. G .- ABAB CHALLENGS COP. Larly Purl.

NEW MODE OF SAWING STONE,-Instead of the waw ardinarly employed, a disc of lead, kept well powered with emery, has been used for some time must in France, with great success and economy. The lead is cast on a circular plate of cast iron. of anticient thickness and dinmeter, and pierced with holes, which, by means of the lead with which they become filled in the casting unite togetter strongly the thin sheets of lead at its two sides, which are joined also at the circumference of the disa. The emery falls from a reservoir shove the disc, and the surplus is conveyed into's the years which feeds the disc. This apparatus. was found to move through Carara marble at the Offices or Aliambers. rate of about 24 in per minute, and through Normandy granite at the rate of marly an inch in the eame tiping and the cost of outting was searcely! the one-sixth of that with the ordinary method -

CRUIESHANK DIORESS. AND OLIVER TWIST -In Landon I was intimate with the brothers Oreikshank the latter. Having called upon him one day at | Goes or Residence. his house (it then was in Mydloton Terrace. Penrenville). I had to wait while he was finishing an etching, for which a printer's boy was waiting. T wife away the time, I gladly complied with his suggestion that I should look over a portfolio. provided with o'chings, proofs, and drawings. which he upon the soft. Among these, our lessly tied together in a wrap of brown pager, were some 25 or 30 drawings, very excefully finished, through most of which were carried the well-known portraits of Fugin; Bill Eykes and his dog, Nancy. the Artful Dodger, and Master Charles Bates -all well-known to the readers of "Oliver Twist." There was no mistake about it, and when Cruikshank turned right, his work finished. I said as much. He told me that it had been long in his mind to show the life of a London thicf by a series. of drawings, engreved by himself in which, without a single line of letterpress, the story would be tinued. "dropped in here one day, just as you where large ships can be at anchor. Rent modehave done, and while waiting until I gould speak rate, to bird, took up that identical perfolio and ferreted. out that handle of drawings. When he came to that one which represents Fogus in the condem-red cell, he studied it for half am hour, and told me that he was tempted to change the whole plot of his story; not to carry Oliver Twist through ! adventures in the country, but to ake him up into admirably suited the thleves den in London, show what their life Mercantile firm. was, and bring Ol var through without any sin or shame. I consented to lot him write up to as spany of the designs as he thought would sait his nurmore r and that was the way in which Fagan, auggested them, rather than individuality suggest-

Sykes, and Nancy were created. My drawings ing my dearrings,"-Round Table (American A SPANISH SCRNE. -All this had been written on the mill of a baleagy the Jangling of a church bell and the sympathetic droning of a guicar with one note: It was played by a deletal-looking seldier in thehe regimentals, sitting upright on spring rever ton acceptance and never moving muccie, while the flies buzzed about his head. A motionless companion sut near listening to the melody. Presently in the midst of his writing. Genfly Smith who had scarcely heeded the guitar or the bell, suddenly heard a great chattering and commotion in the street below. and looking over the sail, he saw a growd of little givey children swaring in the front of the house. They were trying to climb up into the balenny, got ing on one another's backs, clanning their hands, seconding and beckming to blue- 'Mossug! blosco !-- its son-allons done!" with an encouraging gesture. "Tit sou-"lone dono-vito. Mosse !" and the brown faces grinned bancath their little Moorish lo king turbans yellow, Thomsott, West Point, between Bonham and hare legs went capering. The narrow street was turing apply to Mr. Thus. M. BARRINGTON, 36. crowded with people harrying to the call of the Wyndham Street. church bell. Women came out the low doorways of their houses, adjusting their mantillus. Resina but, outton umbrella and all. Smith looked at l them all from over his balgony, like from a bex state opera. At the other, end of the place—

So did the priests; the young men with their bright red caps. lounging a the corner of the street; the old man with his dankey; and the little grinning begger children: - t orghill Magazine for February. LORD ONOAR AND HIS HRIDE-ELECT.-He was I a little man; on whose behalf it certainly ap- | GLERNHORST and SANDER. posted that the Peernge must have tuid a falsehand; it seemed so at least to those who judged of his years from his appearance. The Peerage said that he was thirty-six, and that, no double was in truth his age, but any one would have declared him to be ten years older. This look was produced chiefly by the effect of an clabarutaly tressed jet black wig which he wore. What misfortune had made him baid so carly, if to be hald early in hie be a misfortuno-I connect ouv but he had lost the heir from the grown of his

head, and had preferred wiggery to haldness. No doubt an effort was made to hide the wingishness of his wire, but what effect in that dir ction was ever made successfully? He was, moreover, weak thin, and physically poor, and had, no doubt, ingreased this wonkness and pagrages by hard livinc. Though others thought him old, time had gone ewiftly with him, and be still thought himself a young man. He hunted, though he could of 2500 Tons each. not side. He shot though he could not walk And, unfortunately, he drank, though he had no capacity for drinking! His friends at last had. tunche him to helieve that his only chance of saving himself lay in marriage and therefore he had engaged himself to Julia Brahigon, nurchasing her at the price of a brilliant settlement. Lard Ongar should die before her, Ongar Park was to be here for life, with thousands a year to maintain it. Dourton Costle, the great family seat, would of o urse go to the heir but Oogar Park was supposed to be the most delightful small country sent anywhere within thirty miles of Londun. It lay among the Surrey hills, and all the world had heard of the charms of Ongar Park. If this were to survive her lord, Ongar Park was to be here; and they who saw them buth together had but little doubt that she would come to the enjoyment of this clause in her setthemient. Lady Clave ing had been obeer in arranging the match; and Sir Hugh, though he might have been an willing to give his sist r-in-Tiw maney out of his own pocket, had performed | PHESE Mills adjoining the P. & O. Company's his duty as a brother-in-law in looking to her forture we fire. Julia Brainzonhad to doubt that she pared to execute with promptness and on reasonwas duing well. Poor Harry Clavering!
